BIOTECHTICLE

Towards Ideation, Innovation & Social Awareness

“Introduction: Intellectual Property Right (IPR)”

Intellectual property is the **intangible(untouchable)** property.

IP(Intellectual Property) : The work or **creation** of the mind

Form of IP: An idea, Invention, Process, Literacy, Artistic works, Symbols, Names, Images, Designs etc.

IPR: It can be defined as the rights given to people over the creations of their minds.

The intellectual property (IP) system is designed to protect creator’s intellectual achievements, both at the national level and international level.

IP system is the system of creative peoples.
